Children of God

The chilling video pushed him to spend two years investigating the motives behind Rodriguez's violent legacy. The set is an impressive achievement that will aid both scholar and layman in navigating the often nebulous territory of nonmainstream religion in the US.

Introduction to New and Alternative Religions in America.

Edited by Dereck Daschke and W. Princeton, NJ: Princeton University Press, 2009.

Introduction to New and Alternative Religions in America.

While my mind blanked out during some of the original source texts especially the super-Christian ones , my general feelings were of overall appreciation for this basic introduction to several NRMs from the last century and a half of North American history. New Religious Movements offers a rare inside look into the worldviews of alternative religious traditions. Chicago Project on Security and Terrorism.

Religiously Motivated Violence

In August 2019, will be publishing.

Race and New Religious Movements

This three-volume series contains the writings of Rabbi Meir Kahane, founder of the Jewish Defense League in the United States and the Kach party in Israel.

Religion

The causes of religiously motivated violence, however, have taken on new importance in the modern age, particularly with its connection to recent acts of terrorism and social violence, such as the rise of al-Qaeda and ISIS, the persecution of Muslims by Buddhist monks in Myanmar, the emergence of Hindu nationalism in India, and the Christian Identity movement in the United States, to name but a few examples. Services included

a referral switchboard, counseling, health care, crash pads, and free food.

New Religious Movements: A Documentary Reader, Nova Religio: The Journal of Alternative and Emergent Religions

©Emily Suzanne Clark and emilysuzanneclark. I myself was puzzled at the absence of Spiritualism and Scientology, to name only two omissions, and in some cases might have chosen other texts to represent what I would consider the quintessence of a group's experience.
