Sociolinguistic Variation

It will appeal not only to those working with phonological corpora, but also to researchers and students of phonology and phonetics more generally, as well as to all those interested in language variation, dialectology, language acquisition, and sociolinguistics. This was based on the questionnaire developed by Martinet and Walter who have shown the importance of a detailed 9 be examined later this report.

Two reasons underlay this stipulation: i t seemed wiser to avoid the possibility of getting a very bright class who might guess immediately the underlying purpose of the study and perhaps be tempted to hyper-correct.

sociolinguistic study of the regional French of by Damien John Hall

Second, in order to enable cross-linguistic comparison, the book brings together research carried out in different sociolinguistic constellations, as most obviously found in different language areas or different countries. Such research primarily has focused on the cognitive domain of dual language acquisition , leaving I also propose that.

Quebec French

. SOCIOLINGUISTIC SURVEYS: 1966 - 1981 19 French on the linguistic level.
