CAN YOU BE ORTHODOX IN COMMUNION WITH ROME? by Brian A. Butcher, Liam Farrer, and Kevin Basil Fritts

Underline the importance of multilateral efforts to meet the financing needs of low- and middle-income countries, including the proposed new general allocation of Special Drawing Rights by the IMF, an ambitious IDA20 replenishment and existing G20 endorsed measures.

Dialogue between the Holy See and the Society of Saint Pius X

I believe these two steps would have been able to create a truly new climate in the universal Church. . Recognise the necessity to underpin these efforts with strengthened health systems, recalling the G20 extraordinary Summit of 26 March 2020.

Dialogue between the Holy See and the Society of Saint Pius X

The Holy See declared that it awaited an official response from the Society.

Interreligious Dialogue

Invest in community health and in health systems to achieve strengthened, resilient, inclusive, high quality health services, continuity of care, local and home care, and public health capacities in all countries. Undertake health promotion and work on the social determinants of health to address other critical health issues such as non-communicable diseases, mental health and food and nutrition, as part of efforts to enhance overall resilience to future health crises and in addition ensure an age- and gender-sensitive response to future crises. His dissertation will focus on the relationship between sacraments and eschatology in medieval theology.

Dialogue between the Holy See and the Society of Saint Pius X

We reaffirm our commitment to achieving them to strengthen efforts to build back better as in UNGA resolution, 11th September 2020 , and to the International Health Regulations 2005 IHR , which together will improve resilience and global health outcomes.

Interreligious Dialogue

But neither let him who is the first do anything without the consent of all; for so there will be unanimity, and God will be glorified through the Lord in the Holy Spirit. At this point, I might be accused of disingenuousness.

Rome Declaration

Underpin this with trust and transparency in relation to governance and decision-making, arising from the timely and culturally adapted communication of accurate information, of evidence and of uncertainty, and of lessons learned from the COVID-19 pandemic response and previous public health emergencies.

Rome Declaration

Underline the importance of working with all relevant public and private partners rapidly to increase the equitable availability of tools and to enhance access to them. Father Thomas Hopko was asked what would be required of the Orthodox to be in communion with Rome. We note the intention to conduct a comprehensive strategic review as basis for a possible adaptation and extension of its mandate to the end of 2022.
