Retaining the wealth of data of the earlier volumes, Compaine and his co-author Douglas Gomery chronicle the myriad changes in the media industry and the factors contributing to these changes. The detail on his job in the treasury department was very interesting, the explanations of the Reagan economic policies and their effects of the debit levels and currency value was also well done.

**DONALD T. REGAN FOR THE RECORD: FROM WALL STREET TO WASHINGTON**

At the time of the writing he says he had not spoken to the president and then matter of factly reprints the laudatory letter Reagan sent him after leaving his position. He describes the people he dealt with in that position and focused on shepherding his tax restructuring plan into law. They also examine how the media industry is being reshaped by technological forces in all segments, as well as by social and cultural reactions to these forces.

**For the Record : From Wall Street to Washington by Donald T. Regan (1988, Hardcover) for sale online**

There remained a bitter chasm between the two men ever after.

**DONALD T. REGAN FOR THE RECORD: FROM WALL STREET TO WASHINGTON**

He did note several things the administration did, that the media and Americans didn't catch on to. There is a fascinating chapter in here Reagan calls Dysjournalism.

**For the record, from Wall Street to Washington (1988 edition)**

Regan notes he had seen many such letters as Chief of Staff and that he knew someone else had written it for Reagan. But the moment would pass, while the abiding national issues remained.
