## Classroom Organization Articles, Printables, & Resources (K

We are always looking for a little bit more time while we are teaching and to complete all the tasks we need to for the day.

### Language Arts

Time Warp: Verb Tenses Lay out the , give students a sentence, and have them run to the correct verb tense mat! Use these grade leveled tips to help make your day more time efficient with your students. For example, nouns on blue paper, adjectives on red, and verbs on yellow.

### Language Arts Teacher Resources (Grades K

Have students sit in a circle and turn some music on. Get the free printables at the link, then use them to create a sign or banner for your wall. Use the resources in this section to build comprehensive centers that will be loved by your students throughout the school year.

### Language Arts

Note: This game could also be used to practice simple multiplication facts. Write down equations on scrap paper. Reduce stress, increase productivity, and maximize efficiency with our time management tips.
