As early as the 1930s, Jakobson was captivated by the Cyrillo-Methodian mission. Beiträge zur Kunde der litauischen Sprache.

History of linguistics

It is often difficult to cleanly differentiate between articulation and phonological errors or to differentially diagnose these two separate disorders. Much of Jakobson's work on Russian epic tradition is documented in his work on the Igor' Tale, the classic epic, the authenticity of which Jakobson demonstrated in 1948 in La Geste du Prince Igor Scope and Contents note, Published Writings. This ability to retrieve the phonological information of one's language is integral to phonological awareness.
