The traditional teleological interpretation of the world lost sense for Hardy and he became vividly interested in the concept of evolution which goes beyond the realm of biology to include human society and its institutions. The tendency is allowed free rein in his Poems of 1912-13 concerned with his memories of his first wife Emma, after her death.

Lawrence to critics of the present day.

## Thomas Hardy criticism

I feel there is something wrong with this poem. A study of the importance of geography and physical topography in the stories, poems, and novels. The new critics of recent years have continued to misunderstand the poems through ignorance of the facts Hardy had in mind when he wrote.

## A Short Bibliographical Survey of Thomas Hardy Studies

Lawrence never completed The Study of Thomas Hardy, which was published posthumously in 1936 by Edward McDonald in Phoenix: The Posthumous Papers of D. Sex is manifested in the world as Nature which is often in conflict with man-made laws.
