Philippine National Bank and Eduardo Romualdez, etc. Down to 1550, more Spanish and Portuguese migrants crossed the Atlantic than Africans but the balance then shifted. In 1518 and 1519, epidemics of smallpox and other diseases killed large numbers in Hispaniola.

Message from the President of the United States relative to special borrowing arrangements of the International Monetary Fund. (1962 edition)

One of these incentives is adequate compensation. Less destructive but much more regular and frequent were the hurricanes that wheeled across the Atlantic. With our recent election to the Security Council of the United Nations, an aspiration of the Philippine Government since 1951, we have gained an opportunity to participate more fully in the task of preserving international tranquility.

Journal. [1966]

HE Chamber's 45th Anniversary Banquet was successfully held on the evening of last September 24, through the courtesy of Director Carroll, in the Philamlife Pavilion.
