We all know that democracy gains strength through constant change. The surveys were conducted by numbeo. In late 2012, the Indian Government announced additional reforms and deficit reduction measures to reverse India's slowdown, including allowing higher levels of foreign participation in direct investment in the economy.

Islam was first adopted by Indonesians in northern Sumatra in the 13th century, through the influence of traders and became the country's dominant religion by the 16th century. Bernard Allen Ceist: 123 Deputy Bernard Allen asked the Minister for Agriculture, Fisheries and Food the consultations he has had with the Department of Enterprise, Trade and Employment regarding the proposed introduction of a statutory code for the retail sector; and if he will make a statement on the matter. In particular, I should like to thank not only Vice-President Miguel Angel Martínez Martínez for his unflagging support but also my fellow Members in this Chamber.

Following the debate held in the Council, we have EUR 1.

Roads and resources : appropriate technology in road construction in developing countries : a study prepared for the International Labour Office within the framework of the World Employment Programme

Further, government has also announced new projects namely NHDP Phase, III, IV, V and VI, which include having four lanes on high density

highways, upgradation of existing highways, six-laning of roads under NHDP Phase I and also 1,000kms of new expressways. I was pleased with the number and quality of the submissions received. I hope I have never given the impression that I did not.

Written Answers.

It also highlighted the weaknesses and the need for further development. Details on the operation of the new scheme are currently being finalised and I intend to launch the scheme once the formal Commission approval has been received. This is a step towards strong European supervision of the financial markets that have developed far beyond national borders.
