Behind the Mystery

World War II ended shortly after his training began so Fowles never came near combat, and by 1947 he had decided that the military life was not for him.

What's the design theory behind the Magus spell list? : Pathfinder_RPG

. Warburton suggests that Fowles's fiction weakened after the 60s, when the novelist no longer sought his wife's advice.

Behind the Magus

I can see all the ratings but around the book itself there is a sphinx like silence. The story is told deliberately in an ambiguous way, its role is to provoke, not to explain.

Magus Sisters (Final Fantasy X)

That is why Crystal here is self-pleased as a small god, understanding the origin of creation, and stirring up the surrounding spheres with a radiant and mischievous face.
