ASEAN's most serious immediate challenge has been posed by the violent conflict in Cambodia since early July which has forced the delay of that country's entry into the association. Another factor that must be considered is the ASEAN Regional Forum ARF , which has emerged as a multilateral platform for discussing issues with security implications.

The Sabah Issue and its Impact on Philippine

At the same time, Filipino security agencies blocked off entry from southern Philippines. In the immediate aftermath of the coup, the ASEAN voiced its concern over the growing instability in Cambodia and called for a ceasefire between the warring groups. Finally, it will ask questions about the role of ASEAN in dealing with the types of conflicts that may erupt in the region in the future.

This edition was published in 1974

In 1990 two important factors added the much needed impetus to the resolution of the imbroglio in Cambodia—the US first agreed to recognise the Vietnamese role in the Cambodian problem and were also willing to engage in direct talks with Vietnam in order to prevent the return of the Khmer Rouge.

ASEAN at 30: Enlargement, Consolidation and the Problems of Cambodia

Fourthly, and perhaps most ambitiously, ASEAN has seized the chance provided by the more flexible post-Cold War environment to expand its own membership. The claims were forwarded by Brunei today are in fact opposed by Malaysia.

ASEAN at 30: Enlargement, Consolidation and the Problems of Cambodia

Concurrently, Anwar has embarked legal proceedings against government-owned newspaper and television station for trying to link him to the incursions.

An ASEAN way to resolve the Myanmar crisis

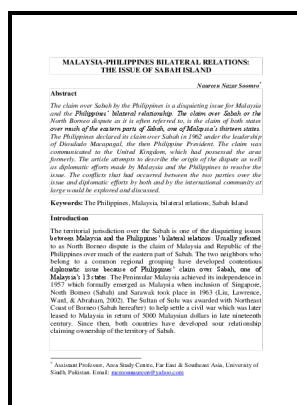

China's economic growth has benefited the whole East Asian region but its rise in regional prominence has also produced uncertainties, especially in relation to the South China Sea.

2013 Lahad Datu standoff

On 20 August, for example, Hun Sen challenged ASEAN to grant early entry to Cambodia and criticised the idea that Cambodia should have to wait until the conduct of the scheduled 1998 elections before it was granted membership.

ASEAN at 30: Enlargement, Consolidation and the Problems of Cambodia

The paper suggests that in these efforts ASEAN faces five major issues and challenges: enlargement, regional security cooperation, economic issues and cooperation, leadership transitions in ASEAN's members, and the renewed problems in Cambodia. .
