## 28 Weird and Wonderful Irish Words

All are men, all move back and forth across the Atlantic, from England to Ireland or from the United States to Ireland. Another reason is that those tasked with enforcing the law were frequently local landlords, and, if their tenants were the illicit distillers, it was not in their best interests to enforce the law. The two of them out tripping the light fantastic.

## Breaking the Code of Silence: The Irish and Drink

In addition, and because of malignant shame, there is often a tendency to keep the behavior of problem drinkers a secret from the outside world. He could not attend Catholic worship.

## Have your cuppa, but go easy on the Earl Grey

A quick wrench of worry when there is no sound, but he emerges with a slightly bewildered look on his face.

## How Everclear Became the King of Grain Alcohol

The Boston-based Graves Grain Alcohol has been on the market, at that same 190 proof, since 1860, at least half a century before Everclear was created, though it has mostly remained a local New England thing. Here, Lottie Tuttle seems as real as George Mitchell even though she is a fictional character.

## TransAtlantic by Colum McCann

In Spin, it was Philippe Petite's tightrope walk, a single event that each character witnessed in some way.

## Drinks in Ireland: 15 Best Irish Drinks You Must Try » Maps 'N Bags

We are in it together, make no mistake.

## **28 Weird and Wonderful Irish Words**

In this story of dark and light, men and women, history and past, fiction and fact, National Book Award-winning novelist Colum McCann delivers a tour de force that is his most spectacular achievement to date. What awaited these emigrants in the land of promise was poverty worse than anything they had known in Ireland and a seemingly impenetrable wall of racial prejudice and religious discrimination. I'm not sure why that's meant to make you feel any better though.
