The Car Builder's Dictionary

In another case, a captain of the steamer Londonderry, in 1848, from sheer ignorance of the consequences, in a storm, shut up his passengers in a tight room without windows. We know, as has been proved both in Africa and on Long Island, that the mosquito does not travel far from his breeding place; that in many regions it will not be very difficult to exterminate him.

THE FORMATION AND MAINTENANCE OF ECONOMICAL,HEALTHFUL, BEAUTIFUL, AND CHRISTIAN HOMES.

This may be accounted for by the former possessing a pith, like a rush, in the stem, which probably retains the nourishing properties of the plant during the heat of summer; while the latter, being hollow-stemmed, shrivel up with the scorching heat.

By adding another story, it would serve a large family.

The Car Builder's Dictionary

He had his black-snake whip with him, no doubt intending to use it either on his horses or on the managers if need be, but wiser counsel prevailed, the gate was not pulled down but the toll was paid. This mode of medical treatment originated with an ignorant peasant, amid a population where outdoor labor had strengthened nervei and muscles and imparted rugged powers to every part of the body.
