Theatre of Catastrophe

The amount of items that can be exported at once is similarly restricted as the full export. *Ecstasy and Death* meticulously maps not only Barker's plays and productions of the last twenty years, but also his theoretical and self-conscious performative development as a practitioner.

Theatre of Catastrophe: New Essays on Howard Barker by Karoline Gritzner

In addition to the many theatrical conventions that Barker explodes in his Theatre of Catastrophe, Barker manipulates time at multiple levels of the theatrical experience in order to upset conventional habits of viewing and attack the political/moral system embedded within linear realism. His plays engage not only with.
