THE HISTORY AND LESSONS OF INTELLIGENCE FAILURE

VOA Pentagon Correspondent Al Pessin has been looking into the issue.

Intelligence Failure

The UN essentially left after the first major attack in Iraq, but no element of the aid effort in Afghanistan failed as definitively as UNAMA.

Intelligence Failure

Violence against foreign troops has recently picked-up with June being the worst month in combat-related deaths for the military in Iraq in more than two years.

The leading causes behind today's unstable Iraq

Because of the level of sophistication, it was impossible to figure out what was going on in a real time mode, in a mode that would have given us the proper warning for the constraints that were on our intelligence agency at the time. It is, in fact, the kind of over-the-top, can-do feat that the world once associated with the United States and that Americans expected -- not abroad, but at home. The United States effectively abandoned its nation building efforts after 2009 and withdrew its combat forces at the end of 2011 — creating a power vacuum that opened up Iraq to ISIS — all the while, it was never able to decide on any active strategy for stabilizing Iraq or dealing with the Syrian civil war.

Trump's Failure in Iraq Is About Iran

The fall of Iraq to Iran was a geopolitical disaster for the US-backed Sunni monarchies in the. The Iraqi reactions to the U.

Iraq War still divides Americans 15 years after it began

Moreover, the Iraqi central government virtually collapsed even before these events. And we, as a government, do not track every one of these people. The July 1, 2019-October 25, 2019 Report addressed a number of topical issues — including cuts to the U.
