Unemployment and the Economy (Hansard, 10 November 1982)

A connected study of Roman Satire, with special emphasis on the life and works of Horace and of Juvenal. Member for Oldham, West has a covey of five of them seated in the decimated ranks of the party opposite—decimated because of the failure of the remaining 12 Co-operative Members to be present for this debate.

Math

The contract was finally awarded to Perry M. We have given it priority for reasons which I explained in a speech in the on 10th November, 1965.
