## The EDOMITES TODAY

Only after having spelled out clearly that the apostles would have to undergo a period of suffering as well as have a successful ministry did Yeshua go on to answer their first question concerning the sign of the coming destruction of Jerusalem and the Temple. If they care for the truth scholars will show some diligence in tracing that people through the centuries in their histories and in the migrations that ensue from those histories. The Church today does not use the temple in Jerusalem.

**Time and the end of time, or, Two discourses, the first about redemption of time, the second about consideration of our latter end by John Fox.**

This interpretation is greatly strengthened by the chronological character of the image, the iron and clay enter into the composition of the feet and toes, after that the Roman empire for a thousand years had stood upon iron legs, a nation of soldiers.

Wherefore was I born, what have I been doing, are all these my sins? Christians, the time that you spend with God in secret, is the sweetest time, and best improved.

### **A Discussion of the Coming of God by Moltmann**

Grand Rapids: Zondervan Publishing House, 1970. We must exhort one another daily, while it is called today, Heb. So where are the Edomites today? But if this elevation must be morally and intellectually understood, and not literally, still, the realization being as perfect in the one case as in the other, our argument remains conclusive.

### **Time and the End of Time: Discourses on Redeeming the Time and Considering Our Latter End (Fox)**

Sinners, are you not beside yourselves, yea stark mad, to make God that should be your best friend your worst foe, for if his anger be kindled but a little, it will burn to the lowest hell, and none can quench it or stand before it.
