### Partner With Us

He called her his best friend. Make sure to let a nurse know that you are shy and ask specifically what amount of clothing you need to remove. The original K9 Mark I was given to the Doctor, but later stayed with the Doctor's companion on Gallifrey.

### Doctors

If you have any questions please make contact with us. He was from the planet Alzarius in the parallel universe E-Space.

### The Doctor

Get yourself tested, treated, and ask your doctor for expedited partner therapy to improve the ease and convenience of care for you and your partner. Take Information with You to the Doctor for tips on how seniors can effectively communicate with their doctors.

### 6 Key Areas for Successful Physician Partnerships

. In Mawdryn Undead he met the Doctor and joined him.
