Work for the Dole

Education grants you nothing but knowledge.

Indigenous groups say work for the dole scheme racially discriminatory

.

Work for the Dole: a success in spite of practically everything

T and Business Admin and I am using exactly zero of my skills here. There's always the 'golden boy' or girl who gets offered a new job within the first month of the previous one finishing, but it's quite rare. It all went in the bin.

Work for the Dole

Yet your sought after skills finds you on the WFTD program.

Work for the Dole

The Government is increasing the Age Pension eligibility age with the message that older Australians need to work for longer. Most of these 'jobs' are what they used to recruit volunteers to do.

Work for the Dole

. These people are finding it difficult. I've seen rejections on the basis of overqualification.
