Did Africa turn a corner in 2020 or did it just dodge a bullet?

In the long run, it is the private sector — and not development funding provided by governments — that generates jobs on the ground. Since coordination failures represent the core macroeconomic feature of poverty traps, addressing each of the factors concurrently is essential.

Poverty and Development in Africa

Taken in isolation, any of these would be harmful for any economy, but likely not devastating. Collusion and competition in colonial economies: Banking in British West Africa, 1916-1960.

Ebola isn't just a health crisis

American Economic Review 91, no. West Africa, 8 February 1988 : 215.
