### Links and useful resources

While other parts of Europe around this time were responding to such outside foreign pressures throughout developing their own systems of feudalism, the Gaelic society in Ireland did not lend itself to such development. Reasons why microfilms may not yet be available digitally on FamilySearch.

### FamilySearch Catalog: Irish heritage links

This rich history and heritage has helped to shape both north and south into the unique country it is today.

### FamilySearch Catalog: Irish heritage links : the official magazine of the Irish Heritage Association â€™ ne-x.uni.rf.gd

Some of their ancestors came from Denmark, England, and Scotland before settling in Ireland. Ireland, as an island lying out on the north western fringe of continental Europe was settled by humans civilisations relatively late in European prehistory terms with the first human settlements taking place around 6000 BC. Irish Genealogical Association was founded by Mrs.

### Web Links

She died in 1979, and willed her extensive collection to the Irish Heritage Association, who indexed and cross-referenced her works.
