## EXPORT PROMOTION FOR ECON TRANSIT

The site provides information on various financing models, diverse services for professionals, information on various sectors, and information on international and national agreements. Strategic Management Journal, 29 2 , 115—132.

## Being Good When Being International in an Emerging Economy: The Case of China

As trade barriers were lifted, the newly-established private companies had to compete with the ultra-efficient multinationals of North America, Western Europe, Japan, South Korea and Australasia. Some parts of the site are in German.

## What is Trade Promotion Authority? (Text Only)

The dynamics are complex, but within them the combination of competition and opportunity — interwoven with liberalization policies across developing and developed regions — is particularly important. For instance, broader upgrading has occurred in whole industries in which firms have engaged in outward FDI.

## Transition economy

This website provides numerous useful features such as Afghanistan trade statistics, an exporters directory, information on trade preferences, and common products within the country.
