The second lottery was held on the same day with 26 letters of the alphabet to determine the order of selection among men with the same birth dates through the ranks of the first letters of their last, first and middle names.

Collectible Wartime Letters

You have shown with irresistible lucidity how inseparably the aggressive and destructive instincts are bound up in the human psyche with those of love and the lust for life. The value of the individual is no longer decided by his character or by the significance of his achievements for the totality

but exclusively by the size of his fortune, by his money. We have taken the utmost care and study at each step in the process, and believe all of our choices are well reasoned and defensible.
