. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. That new matter can only be introduced at the expense of the old, otherwise the proportions of this book would rapidly swell to those of the three volume work.

Italy From the Alps to Naples: Handbook for Travellers (Classic Reprint) : Baedeker, Karl: ne-x.uni.rf.gd.au: Books

The most important towns and the most beautiful parts of the country are described at length, while the principal features of the intermediate scenery and towns are noticed in sufficient detail to assist the traveller in whatever direction time or inclination may lead him. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. One important point, however, should not be lost sight of, viz.
