Al

Bukankah kalian telah melihat, bahwa mereka benar-benar menolak hukum Allah tentang haramnya memberontak terhadap penguasa muslim yang dholim, dan mereka memberikan opini kepada masyarakat, bahwa tindakan tersebut merupakan bentuk penghinaan terhadap rakyat!! However according to Dharmakīrti scripture is a fallible source of knowledge and has no claim to certainty. Dharmakīrti is placed by most scholars to have lived between 600—660 CE, but a few place him earlier. The role of Buddhist logic was seen as an intellectual defense against Hindu philosophical arguments formulated by epistemically sophisticated traditions like the school.

**Dimak**

Recognizing Reality: Dharmakīrti's Philosophy and Its Tibetan Interpretations. According to Dharmakīrti, cognitive distortion of the direct perception of particulars occurs during the process of recognition pratyabhijñāna and perceptual judgment niścaya which arises due to latent tendencies vāsanā in the mind left over from past impressions of similar perceptions. Sekarang beliau berdomisilli di Madinah dan belajar kepada ahli hadits Madinah, Syaikh Abdul Muhsin Al-Abbad Hafidhohullah.

Al

Sampai-sampai beliau dipenjara dan dicambuki, dan begitu banyak para ulama yang dibunuh pada masa itu. Dimark, Incorporated Dimark Incorporated is a full service fabrication shop located in Whitman Massachusetts.

**Dharmakirti**

Adapun kecurangan mereka terhadap tauhid, dikarenakan mereka adalah manusia yang paling jauh dari memperhatikan tauhid, sampai-sampai mereka akan melarang dakwah tauhid itu jika diperkirakan akan menjadi sebab menjauhnya massa dari diri mereka, bahkan sungguh anda akan mendapati diantara tokoh-tokoh mereka, ada yang tidak bisa membedakan antara syirik dengan tauhid, sebagaimana yang akan anda lihat setelah pembahasan ini. Dharmakīrti sees a cognition as being valid if it has a causal connection with the object of cognition through an intrinsically valid, un-conceptual perception of the object which does not err regarding its functionality. What it means for a cognition to be reliable has been interpreted in different ways.

**Al**

Other Indian commentators include Karmakagomin, Prajñākaragupta, Manorathanandin, Ravigupta and.

**Dinark, Incorporated**

There is an English translation of this work by Gupta 1969: pp.

**Ciri Khas Pengikut Harokah**

Dharmakīrti's philosophy is based on the need to establish a theory of logical validity and certainty grounded in causality.
