A pact could also further improve the quality of the technologies and the military equipment that the United States provides to Israel. External links to other Internet sites should not be construed as an endorsement of the views or privacy policies contained therein.

Yoram Ettinger: US

Whatever the original pretensions or its usefulness in the fields of economic and technical co-operation, it may be very seriously questioned whether CENTO ever served, or could have served, as a regional security arrangement in the Middle East. For example, a to the White House determined that the US President has the Constitutional discretionary authority to terminate, or suspend, unilaterally, fully or partly, the 1972 USA-USSR ABM Treaty without seeking coordination with Congress, whenever the president determines that it is in the national interest to do so. That holds
