Military Discounts on Auto Sales

German, French, Italian, and American teams began in New York City 12 February 1908 with three of the competitors ultimately reaching Paris.

History of the automobile

The 45hp model, the Type 23A, was introduced in September 1908. As of early December 2015, global Volt sales totaled over 100,000. Also it is not known whether it was sold as a running chassis or as a complete vehicle with body, but the touring coachwork on the car today has the appearance of being a standard Napier product.

The Veteran Motor Car Pocketbook by Anthony Bird Francis Hutton Stott

From travel to phones and everything in between, troops, military families and veterans can stay on top of military discounts.

Veteran Motor Car Club of America

Very good clean tight book. Davis developed a variant for military use.

History of the automobile

It is likely they were not the only ones. It was run annually and the competing cars represented their country of origin. It is believed that VMCCA was established in December, 1938 in Boston, Massachusetts.
