### The Battle of Loos

The British were able to break through the weaker German defences and capture the village of , mainly due to numerical superiority. Foggy weather inhibited observation, the artillery preparation was inadequate and the British and French defenders were well prepared behind intact wire. This is an excellent account of 1915, the year when gas was used for the first time, Gallipoli became infamous and time and again thousands of men died, on both sides, for little gain.
