Teaching Social Skills in School: Benefits Beyond the Classroom

The low kids struggle and sometimes fail. The decaying infrastructure in most secondary is directly responsible for the problem. Abraham, Nasakar and Stephen 2008 : Strategies for improving business studies in JSSCE in Jalingo Local Government, Taraba state.

Secondary (Middle/High School) Teacher Education Program

The process that the students went through began and ended with reflection. Central to our vision was for students to publicly share their own understanding, thus fostering authentic dialogue about what they learned. I thought maybe I could change some things for students, but it won't be as a teacher.

Indiana Academic Standards

Others provide a diverse range of programs, such as and.

Teaching Students with Special Needs

It energizes students because they feel empowered to meet the learning objectives of the course.
