Shiro no Koro (Title)

Arriving at the restaurant, she meets Fujino with Azaka, but notes to herself that she could not be the target, as she does not sense the desire to kill from her.

Shiki Ryougi

His speech and gestures were those of a youth. The glasses Touko wore are also Mystic Eyes Killers. Shiki thought she would enjoy her battle with Araya but she realizes that the reason she wants to kill him is only because she can't stand his existence.

Shiro uneri

She assists the agency in handling paranormal cases when combat is required.

Shiro no Koro (Title)

She claims the ability to do anything she wishes, as being connected to it makes her an equivocal existence and she have a equivalence to a transience of abstract level of existence.

Shiki Ryougi

It is not actually changing the existing world, but instead annihilating the old world with a new world.

Shiro no Koro (Title)

Touko offers to teach her how to control the Eyes, but Shiki refuses. When Shiki goes to Garan no Dou, Mikiya hands over Kanesada Kuji to

Shiki. It seems that she is warped elsewhere, and the Servants believe she has been flung through time, either to the past or the future.
