## Sermons about Urgency

But from these things God restores us. Do not neglect the Way of the Cross. But the theory implies no such thing: the redeemed could be completely unaware that there even are any reprobate, but it just happens to be the case that in all feasible worlds a number of people freely reject God's grace and are lost.

## Cold

The state has NO God-given right to force dangerous drugs upon children! But there is some evidence for the triune nature of God in the world around us. You must not have too much conversation with N. I'm you know you he is.

## Library : An Unpublished Manuscript on Purgatory

We are all sinners saved by the grace of God! Every few years we have people critical of the thanksgiving proclamation.

## Library : An Unpublished Manuscript on Purgatory

It was used by the OSS in WWII. Where did you arrive in the Washington area? The best and most reasonable way to interpret what the Bible teaches about the nature of God the Father, Jesus Christ and the Holy Spirit is to conclude that God is one in essence and three in persons.

## Suffering and Hope in the Time of COVID

He never promised to remove trouble; but He has promised to make anxiety out of the question. At any rate, you are to love Him for those indifferent souls and Jesus will be consoled for their neglect.

## Sermons about Urgency

If a small child sees a furry animal he may very well refer to it as a puppy dog, but as he matures he is able to clearly differentiate between a puppy dog and a kitty. Those that bear witness to this name calling have to feel pretty about themselves that someone else is called out and not them. This was no barbeque with the guys social.

### **What Does Christianity Say About the Nature of God? Two Important Truths**

Now when one recalls that Talbott has set himself the heavy task of proving that the Molinist position is not even broadly logically possible, then I think it is evident that he has fallen short of his goal. I am sadden to have to talk about someone I admired for so long and a church where I first went to when I came to know Christ as my Lord and Savior. All Christians are kings, even as all Christians are priests; but kings only anointed not crowned, as they are priests ordained, not yet admitted to celestial ministries; and though the ordination to priestly service be now the more prominent honour, it is not such as to distrust or overshadow the kingly name and destiny.

### **Sermons about Urgency**

I have a being, the integrity, the sanctity of which even God respects, the boundaries of which even my Maker does not trench upon. On the table of the wilderness is spread spontaneously a plentiful feast of grass, wild fruits, and herbs for the sustenance of the dumb, helpless creatures that can neither sow nor reap nor gather into barns. It is only the overflow of our piety that we can pour out on others.
