**Yuppiechef**

I use very regularly this coarse flour in my bread 20 to 30% in average and the result is very nice.

**Magimix 5200XL Premium Review**

But it handles whatever I put into the bowl like a pro.

**How to Make Bread With a Food Processor: 8 Steps (with Pictures)**

Halve them lengthwise and discard the central shoots. Oh yes, and my husband has used it more than me since it arrived.

**Using a Magimix food Processor**

In the large bowl, the slicing discs doesn't reach the side so stuff slips round the side without being sliced or grated. I said NO WAY and they have posted the jug. We then bought a new bowl and lid and put them in the dishwasher which ruined both.
