Ahom people

The authors obtained a list of seven functional capabilities that illuminate the value of Xinjiang class education, and complaints that need to be addressed in the future.

Lessons in Being Chinese: Minority Education and Ethnic Identity in Southwest China on JSTOR

In addition, museums and cultural centers have been established in various places for the collection and preservation of cultural relics of ethnic minorities.

Contents : Handbook on Ethnic Minorities in China

Conversely, more engagement between China and the world could create short-term shocks for Chinese workers and firms in certain sectors as the country imports more from the rest of the world. The government respects minority peoples' burial customs, and has allotted land for cemeteries and established burial services departments specially for Hui, Uyghur and other minority peoples that have the tradition of inhumation. Preservation of the Cultural Heritage of Ethnic Minorities To preserve the traditional cultures of the ethnic minorities, the state has formulated plans or organized specialists for work involving the collecting, editing, translating and publishing of their cultural heritage and the protecting of their famous historical monuments, scenic spots, rare cultural relics and other important items of the historical and cultural heritage.

China and the world: Inside a changing economic relationship

In areas where ethnic minorities live in concentrated communities, each of them may have its own deputy or deputies sit in the local people's congresses.

Shan

During the from 1966-1976, many Daoist temples were destroyed. It has become a unique way of developing education geared to the needs of minority students. Today, thanks to mandatory schooling for children and adult education programs, the rate is over 75 percent.

Shan

Mongolians live in huts called yurts. The first wave of Jews in China traveled from over the Silk Road and by sea via during the 618 — 907 CE.
