Confederation law of Canada [microform] : Privy Council cases on the British North America Act, 1867 and the practice on special leave to appeal : there being added appendices containing (1) the imperial statutes affecting Canada and the colonies in general; (2) the Judicial Committee with notes; (3) the Canadian liquor prohibition case, 1895

. This isn't a discussion about content anymore. The other big difference is that it re-orders the precedence of the presentation, to make more clear the practical operation of the government.

Legislative Drafting and Language in Canada

In late immersion, children are placed in French-language classes in a later grade. University of Ottawa Faculty of Law.

Confederation law of Canada : Privy Council cases on the British North

The province of Quebec exercised this option and has its own Quebec Pension Plan. Office of the Commissioner of Official Languages. According to the 2016 Canadian Census, approximately 17,735 residents of the province stated that French was their mother tongue.

Legislative Drafting and Language in Canada

In the past twenty years, the notwithstanding clause has been used only rarely, and only by provincial governments.

Confederation law of Canada [microform] : Privy Council cases on the British North America Act, 1867 and the practice on special leave to appeal : there being added appendices containing (1) the imperial statutes affecting Canada and the colonies in general; (2)

the Judicial Committee with notes; (3) the Canadian liquor prohibition case, 1895

The party seeks to alter federal language policy, as it applies within Quebec, so as to eliminate the statutory equality of English that is guaranteed under the Official Languages Act and other federal legislation. I think all parties agreed, but discussion was perhaps needed for the right language to use.

Great Britain Privy Council Judicial Committee [WorldCat Identities]

No one has addressed any of them.
