Marksistsko

It will prove interesting to students in journalism, mass communication, political science, history, and Eastern European studies and perhaps to the growing number of Western-based consultants involved in various forms of assistance or joint ventures in media, education, banking, and business. LCC 75 11 1972 1995 by Ivanov, V. OCLC does not sell books and the actual content is not provided in our database.

Zhilin, Pavel Andreevich [WorldCat Identities]

In sixteen brief chapters the author provides a coherent and comprehensive description of the creation and then the erosion of the monolithic media system in Poland and investigates the professions, institutions, and individuals supporting, opposing, or reforming the existing media system at various times.
