### Days of '36

The director is much more interested in lampooning the weak incompetence of the government as shown in the foundation stone-laying ceremony of the new Olympic stadium in a desolate piece of wasteland which nobody turns up to.

### Days of 36 (1972)

They react to the action as it unfolds. This produced remarkably regular differences, also, on the indices of modernization in our basic typology.

### Days of 36 (1972)

While the hostage situation is at the very center of the plot, we are never in the room with the two men, and never know quite what is or isn't going on between them. This is why media participation, in every country we have studied, exhibits a centripetal tendency.

### ne-x.uni.rf.gd: The Theo Angelopoulos Collection

While almost all of the Farmers interviewed visit their village mosque daily, the Workers have ruptured this Traditional bond.

### Isyhes meres tou Avgoustou (1991)

Indeed, the lesson is that Middle Eastern modernizers will do well to study the historical sequence of Western growth. These traditional ways have resisted even the power of dictators. The Passing of Traditional Society: A Survey 79 emerges see America.
