William Blake Biography

Indeed, the most talented of the Ancients, Samuel Palmer, is generally considered an inheritor of Blake's vision and technique. However, the later critics regarded him for his creativity and expressiveness, as well as for his mystical and philosophical undercurrents within his works.

Life of William Blake (Oct 10, 2018 edition)

Unlike his fellow, romantic artists and poets who would pay homage God's glory, Blake would question and examine every aspect of creation to find, what he considered, truth. His time there was brief, however, reputedly because he questioned the aesthetic doctrines of the president, describing the Academy as a 'cramped imaginative environment'. A collection of critical essays.

William Blake Biography, Life & Quotes

After he had completed his training, William also studied for a short time at the Royal Academy, however it was short lived as he found the restrictive style too limiting and stated that it stifled his creativity.

William Blake Biography

His parents' bodies were buried in the same graveyard. In, Blake says that: Men are admitted into Heaven not because they have curbed and govern their Passions or have No Passions but because they have Cultivated their Understandings.

Life of William Blake (1880 edition)

After he was twenty-one, Blake studied for a time at the Royal Academy of Arts, but he was unhappy with the instruction and soon left. While you will be able to view the content of this page in your current browser, you will not be able to get the full visual experience.

William Blake Biography

Following Blake's death, Catherine moved into Tatham's house as a housekeeper. NYC Blake's artistic ability became evident in his youth, and by

age 10, he was enrolled at Henry Pars's drawing school, where he sketched the human figure by copying from plaster casts of ancient statues.

William Blake Biography

Europe Supported by Africa and America is an engraving by Blake held in the collection of the University of Arizona Museum of Art.
