Pediatric Urology

With more than 25 years of experience, Dr.

Pediatric Urology

We use the latest technology and treatments to help your child. Our fellows have the unique opportunity to receive advanced training in robotic renal procedures as well as pure laparoscopic, endoscopic and open reconstructive procedures.

Urology

CHOA hereby provides you a fully-paid, nontransferable, nonexclusive, personal right and license to access, download, or otherwise use any Concussion Program Materials solely for the following purposes: i if you are accessing the materials as a parent, you may use the Concussion Program Materials for your personal, non-commercial use to educate yourself and your family on concussion prevention and treatment for a child; ii if you are accessing the materials as an athletics coach or on behalf of a school organization, you may use the Concussion Program Materials to promote concussion safety to your staff, students and athletes and to create appropriate concussion management procedures; and iii if you are a healthcare provider, you may use the Concussion Program Materials for your personal, professional development to enhance your medical knowledge in the field of concussions. Our mission is to improve the health of the children we serve with a commitment to excellence in urologic care. Except for the limited license provided to you in Section 1 of this Agreement, no express or implied license, right, or ownership interest of any kind is granted to you with respect to any of the Concussion Program Materials or any copyrights, trademarks, or other intellectual property rights therein.

Warning

By accessing the Concussion Program Materials, you accept and agree to the terms and conditions of this Agreement.
