. All these entities have elements. Definition of Syntax Syntax is the arrangement of words into a sentence that make sense in a given language.

Literary Devices: 15 Literary Elements With Examples & Tips to Use Them

The perceived story is about a group of farm animals who rise up and defeat humans but the underlying story is about the Russian Revolution. For instance, if a novel set in Medieval England featured a trip to a movie-theater, that would be an anachronism. Two writers describing the same set of events might craft very different narratives, depending on how they use different narrative elements, such as tone or point of view.

Literary Terms: Definition and Examples of Literary Terms

. So long as the premises of the syllogism are true and the syllogism.

Use arrangement in a sentence
