## British Social History 1603

Within the City it was no less relevant, as is shown by the careers of the men who occupied the top posts of City Plasterer and Bridgehouse Plasterer in the middle decades of the seventeenth century. Settlers used them as laborers primarily in the middle, southern, and West Indian colonies but the custom prevailed in Maryland, Pennsylvania, and Virginia.

## British Social History 1603

Macpherson, Annals of commerce, manufactures, fisheries and navigation etc.

## Secondary Sources

Andrew Weldon seems to have made the transition less formally.

## British Social History 1603

The battle of the frogs and Fairford's flies: miracles and popular journalism during the English Revolution. This pattern follows the norm for most London companies in the sixteenth century.

## Law and Order in Seventeenth

In addition, major port cities maintained records of apprentices, some of whom may have emigrated as indentured servants. Ways of Writing: The Practice and Politics of Text-Making in Seventeenth Century New England. Fire From Heaven: Life in an English Town in the Seventeenth Century.

## **Law and Order in Seventeenth**

Pearl, 'Social policy in early modern London', in H. Cambridge: Harvard University Press, 1965.
