Corruption in Corporate America: Who is Responsible? Who Will Protect the Public Interest? by Abraham L. Gitlow (Paperback, 2005) for sale online

America's economic and political system has developed mechanisms designed to check and balance such power. Despite these mechanisms, corporate America has produced imperious chief executives, who, possessing such power, abuse it by engaging in a fraudulent and self-serving pursuit of wealth and the trappings of authority. This edition deals with how this happened, how the system responded, and actions that could minimize the danger of its recurrence.

Corruption in Corporate America: Who is Responsible? Who Will Protect the Public Interest? by Abraham L. Gitlow, Paperback

The text analyzes those who either support or keep quiet for miscreant chief executives, and how these participants became involved in corporate fraud. This edition deals with how this happened, how the system responded, and actions that could minimize the danger of its recurrence.
