An International Review of Restorative Justice

Rarely do criminal justice professionals take the time to listen to the fears and concerns of crime victims, seek their input, or invite their participation in holding an offender accountable.

Restorative Justice: A Literature Review

Both subscriptions allow access to the online archives, and is accompanied by email notifications for each new issue. Restorative programs, on the other hand, promote a setting in which all parties, including the offender, engage in meaningful participation and arrive at a collective solution for reparation.

Examining the Effectiveness of Restorative Justice in Reducing Victims' Post

The review compares and contrasts the principal features of these themes across the different jurisdictions, identifying, particularly in the case of the European jurisdictions, the similarities and dissimilarities between their various restorative justice initiatives. International review of restorative justice.

The Impact of Restorative Justice Conferencing: A Review of 63 Empirical Studies in 5 Countries

Paper presented at the XIII World Congress of Criminology, Rio de Janeiro, Brazil. McCold and Wachtel also found, however, that the randomised control group of non-referred offenders had a 35% recidivism rate suggesting that there was little additional treatment effect beyond a self-selection effect.

The International Journal of Restorative Justice (TIJRJ)

Where available materials analyzing intersectionalities such as race, ethnicity, culture, disability, sexual orientation, age, and poverty will be included.

Restorative Justice: Theoretical Foundations

All searches were conducted in August 2019.

Restorative Justice

VOCs provide both the victim and offender an opportunity to discuss their thoughts and feelings related to the incident Strang et al.

Restorative Justice: Theoretical Foundations

The restorative approach, on the other hand, reintegrates wrongdoers back into their community and reduces the likelihood that they will reoffend.
