### Anastasia on Her Own

You have to suspend your disbelief on this one, because what father would let his 13 year old daughter stay home from school for a whole week to take care of a three year old with chicken pox? The household quickly begins to crumble as Anastasia has to face Sam's chicken pox, an unexpected visit from her father's old girlfriend, and her first date ever. After some time, she returned to college and received her undergraduate degree from the University of Maine. In short, to empower nurses to contribute to the achievement of great patient outcomes.
