Sutyagin House

He also briefly escaped during the Duel in after was unmasked, but only cried for help in the English dub before quickly being swallowed again. He reveals himself as during the game's third part and will Duel the player and his partner alongside a brainwashed.

Lyman Banner

Throughout the various battles with the Riders, he remains distant and chooses not to partake in any of the Duels, and eventually goes missing, but not before remembers that he was the one who led him to the Abandoned Dorm. In , Banner's spirit and Pharaoh accompany Jaden during his search for.

Lyman Banner

Suzaku then consumes his copies and is fully healed before making the six copies of himself again. Then, after Jaden defeated Nightshroud and Jaden's match against in the past, he inside of Pharaoh is discovered inside Jaden's backpack. Yusuke's spiritual energy is exhausted, but Keiko's fear of death dampens his vital energy.

Shu

Suzaku tries to hit Yusuke with Prism of Storm Torment, but his tentacle was damaged during Yusuke's first attack, cutting the power of his attacks in half. Throughout the entire series, Banner's red eyes are constantly hidden behind their lids and a pair of square-lensed glasses, except during the second half of his with. He is transported to the past and watches the Duel.
