Review of The Secret: What Great Leaders Know and Do

Dedicating time to figuring out how to get more per-worker output by introducing new technology will go a long way to maximizing the impact a leader can have. If only we all knew The Secret! You will also be able to better align their own aspirations and values with the goals of your company.

The Secret: What Great Leaders Know

With an organization that size, it would seem that they would operate at a slower pace, much the way many mature companies do. The authors have also added answers to the most frequently asked questions about how to apply the SERVE model in the real world. Let them lead you to victory.

Nonfiction Book Review: Secret: What Great Leaders Know and Do by Ken Blanchard, Author, Mark Miller, Author, John C. Maxwell, Foreword by Berrett

This book really inspired me. Over the next 18 months, Jeff helps Debbie discover and explore five fundamental ways that leaders lead through service.

The Secret : What Great Leaders Know and Do by Mark Miller and Ken Blanchard (2014, Hardcover) for sale online

In discussing each of these points, the authors discuss the principles behind each and key questions for managers to consider in weighing how to best apply them. To invent you have to experiment, and if you know in advance that it's going to work, it's not an experiment.

The Secret: What Great Leaders Know

I have already shared my copy of the book with others, and they have each pointed out specific aspects of the book that they say completely changed their way of looking at the world. Without this fundamental relationship, it will be impossible to effectively lead your organization to new horizons or through choppy waters.

The Secret: What Great Leaders Know

In an attempt to save her career, she enrolls in a new mentoring program offered by her company. The Secret puts what Blanchard and Miller have learned about leadership in a form that anyone can easily understand, embrace, and pursue.
