Confessions, justice in Rwanda's killing fields

From 1895 to 1916, Rwanda was a German colony. It was enough that people believed it to be true.

The Rwandan Genocide: Twenty Years On

There a pastoral clan from the Asiatic side took the government of Abyssinia from its people and have ruled over them ever since, changing, by intermarriage with the Africans, the texture of their hair and color to a certain extent, but still maintaining a high stamp of Asiatic feature, of which a marked characteristic is a bridge instead of bridgeless nose.

Redemption!Frisk

Danien was sensitive to how alien the world must look to these orphaned children. What alarmed moderate forces at the time was Nahimana's decision to broadcast his version of the events. Members of the ruling MRNDD had another very real concern: they worried that once the transitional government was in place, the RPF would see to it that the president and his entourage would be charged for crimes they committed in the nearly twenty years they had been in power.

On his return several years later to Rwanda, he became a senior official in the Ministry of Foreign Affairs and eventually worked as director of political affairs for the Habyarimana government. The name came from the peaks and valleys of the Virunga Mountains, a volcanic chain that forms

the continental divide between the Nile and the Congo river basins. In crowded towns, Hutus and Tutsis share mud-brick houses, one family per room.
