Students will examine: The Golden Age of Spanish Theatre The Output of the Golden Age of Spanish Theatre — 1500 — 1700 By 1700, 30,000 plays were written. Excellent translation in English that helps, even for those of us that are Spanish speakers, given that this work is written in Medieval Spanish. Two categories: Cape and sword — capa y espada — revolving around men of minor rank -- dealing with intrigues and misunderstandings Serious — dealing with jealousy and honor His most famous play: Life is a Dream c.

The course focuses on poetry, prose fiction and theater written by Chicana, Puerto Rican, Cuban-American, and Dominican-American women authors in the last twenty years. Performed first in front of churches, then courtyards, then streets; no evidence that they were ever performed in the church itself.

SPANISH GOLDEN AGE OF DRAMA

Literature Fine Arts Distro Area SPANISH 362-0 Citizenship and Urban Violence in Latin America 1 Unit An investigation of the association between Latin America and the violence that underlies all phases of its history, particularly its urban history, through fictional and theoretical texts, films, and music. This course involves an examination of the methods and argumentation used in syntactic analysis, both from a general point of view and from the perspective of generative grammar. It will provide students with a level of knowledge to make connections between the structure of Spanish and relevant issues in contemporary Hispanic linguistics, such as second language learning, language variation, bilingualism, and Spanish in the United States.

Monologues for Actors

Flexible and topical, the plays appealed to a wide range of people of both sexes and of every class, from the nobles who sat in the balconies to the rowdy mosqueteros groundlings on benches in the patio of the corrales, as the theaters were known. Like Zurbarán, Victoria mixed the technical qualities of Italian art with the religion and culture of his native Spain.
