The Spanish Civil War: How it all started and its aftermath

After the discovery, he was recognized and denounced as a spy and barely managed to escape the headquarters.

Spanish Civil War

The International Brigades fighting in the Spanish Civil War were withdrawn by the Spanish Republicans from the front-line prior to them being repatriated. He left Spain after the battle but returned two more times in 1938. Madrid was put under siege in November.

Timeline of the Spanish Civil War

Why did the Spanish Government fail in 1931? The Basque territory in the north fell. To secure support, he engaged in a massive deceit, making contradictory offers to the different groups who backed his plans.

Spanish Civil War, an historical overview

In addition, there were some volunteers on the Nationalist side who tend to get overlooked because they were far fewer than the volunteers in the International Brigade fighting for the Republic. But there was a stumbling block.

The Spanish Civil War

This dealt a severe blow to the Republicans as the incumbent rulers of Spain held large gold reserves in Britain that they now needed to fund the fighting.
