## Sharh Aqidatul

I lost ma job in 2009, I was jailed, my chn dropped out of sch an I currently have no job.

## Sharh Aqidatul

What and how should an orphan beggar feel? May Allah swt richly bless you and respond to your prayer.

## Fawa'id

From this verse onwards, Allah gives us reason to believe His declarations and promises in the first half of the surah. This makes us look forward to attaining our place in Jannah and helps us look at any problems in our lives as temporary tests of our faith from Allah.

## Surat Al Qiyamah Arab, Latin & Terjemah Bahasa Indonesia

For those who are at the worse end, they must remember that Allah gives us trials as well as bounty.

## How Sura Ad

Why there are poor orphan beggars? These examples of the orphan and the beggar are ones we should constantly remind ourselves of to be thankful for the numerous blessings Allah has given us, get over our depression and feel connected to Allah again, out of gratitude. In fact your creative writing abilities has encouraged me too get my own website now.
