British Emigration, 1603

Louis City Court between 1874 and 1906, and Ogle County Court from 1872 to 1906. Census ancestry data indicates the first and second ancestry reported on the census returns. To obtain complete records prior to 1951, contact the Indiana State Archives.

Early Modern British Emigration 1603

Essays in Honour of William Ferguson 2007 Alexander Murdoch, Co-editor with John Dwyer and Roger A.

British Emigration, 1603

The estimated the number of overseas British to be around 2. Locating those documents can be a challenge, though: Until 1906, when the federal government standardized the citizenship process, immigrants could file for naturalization in any common law court in any state.

British Emigration, 1603

Brown and Warren McDougall, eds. By 1890, there were over 1. Those who do claim British ancestry form a sub-set of those who could claim British ancestry, the British diaspora includes about people worldwide.

British diaspora

Try checking the records of popular ports of departure. Because many individuals have multiple ancestries - and the ethnic mixing of the population increases each generation - many persons who are partly of English or Irish ancestry may not report it.
